Our Story....

About us

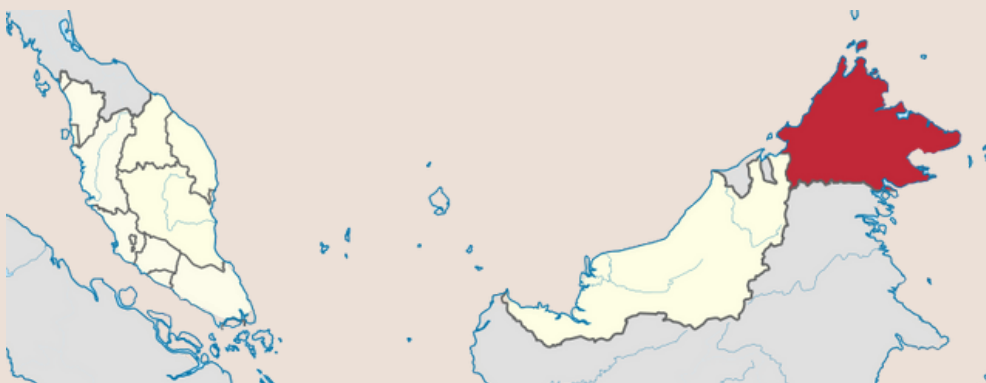

Lumamus Herbs Sanctuary, based in, Malaysia, empowers Local communities by producing natural herbs and products that promote healthy living. We connect people with nature through sustainable harvesting and crafting, offering a safe platform for a healthier and happier Lifestyle.

Vision

Our vision at Lumamus Herbs Sanctuary is to be Sabah's well-known community-based and high-quality herbal products, promote healthy living and we're dedicated to making Borneo Herbal products accessible and committed to delivering excellent customer service at every stage of product development and delivery.

Mission

To harness the nurturing power of nature's bounty from our community herbal garden, crafting premium, sustainable herbal products that promote well-being, foster Learning, and strengthen the bonds of our community.

Sabah, Malaysia, Borneo

Our Story....

XENIA Means "Hospitality" chosen as a Community Branding.

Community Products branding was founded in 2020, by community builder Juddy Lasius from Kg.Madsiang, Penampang. She is very passionate about building grassroot communities. Through Juddy's passion, Lumamus Herb's Sanctuary believes that strong community branding will help the small farmers, or the rural community produces to the market accessibility.

Holistic Approaches

With the same aim and objective in empowering locals and local products, we respect each other's specialty and drive the economy impact together by working hand in hand and contribute to the value and supply chain of the business growth through uplifting people and social innovation inclusively. We are also working closely with the government agencies, corporate sector and NGOs to ensure its sustainability and growth in a meaningful way. Together will reach to the greater heights.

Our Tea Philosophy

"A Cup of Tea is A Cup of Peace"

Craftsmanship and Quality

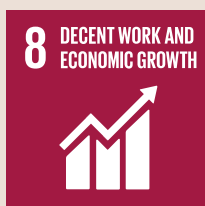

Lumamus is dedicated to the art of blending. Our tea artisans carefully selected and combine herbs, spices, and botanicals to create harmonious flavor profiles that are nothing short of masterpieces. We source only the finest ingredients to ensure each cup is a journey of excellence.

Sustainability and Ethical Sourcing

At Lumamus, we believe in a symbiotic relationship with nature. We practice ethical and sustainable sourcing, ensuring that every ingredient we use is responsibly cultivated, harvested, and brought to your cup.

Behind the scenes

Community Impact

LUMAMUS & COMMUNITY BRANDING IMPACT

The impact of empowering local brands and communities contributes to the production and promotion of herbal local products to the local economy, preserves traditional knowledge, promotes sustainable practices, and fosters community pride. Empowering local people and brands plays a crucial role in preserving and promoting our cultural heritage through the production and use of local herbal products.

LUMAMUS HERBS & THE RURAL COMMUNITY

To harness the nurturing power of nature's bounty from our community herbal garden, crafting premium, sustainable herbal products that promote well-being, foster learning, and strengthen the bonds of our community. We are committed to promoting the well-being of individuals who use them, whether for health, relaxation, or culinary enjoyment. Fostering learning is at the heart of our mission, as we are dedicated to educating the community about herbs and their uses. We acknowledge the role of these products in community building, strengthening the sense of community and shared purpose among residents. Through our herbal products, we aim to nurture the health and harmony of both individuals and our community.

Our Founders

Mrs. Mary Binti Jim
